

Priya Patel

Email: priya.patel@data.io | Phone: +91 91234 56789

Professional Summary

Data Scientist with a strong CSE background in Machine Learning, Deep Learning, Statistical Analysis, and predictive modeling.

Technical Skills

Python, Machine Learning, Scikit-Learn, TensorFlow, SQL, Pandas, NumPy, Data Science, Matplotlib, Flask

Work Experience

Data Scientist at Analytics Hub (Mar 2022 - Present)

Designed Machine Learning models for predictive churn analysis using PyTorch and Scikit-Learn.

Data Analyst at Dataify (Jun 2020 - Feb 2022)

Extracted actionable insights from SQL databases and built automated ETL data pipelines.
